PROJECT EXPERIENCE

Jakarta Global Financial Summit 2022

The global economy has entered a subdued recovery after a sharp downturn caused by the COVID-19 outbreak from 2020, but there are still uncertainties. World-class speakers and finance industry expert, Jakarta Global Financial Summit is a leading annual event in the industry. We will build a powerful communication platform for financial institutions, regulators, financial technology companies, financial service providers and experts to share the most professional insight, discuss the suitable solutions and predict the latest trend of development.

Panin-Maxco Run 2023

More than 1500 participants attended to Panin Maxco Run on March, 5 2023. This event is a collaboration between Maxco and Panin Bank as part of our efforts to build bonds and expand relationships with customers and prospective customers, also restore relationships that have been severed with customers and relationships due to pandemic for the last 3 years. "This post-pandemic sport event can also be a place for us to hear input from customers for various things that can be improved from the company side." said Zulfikar Reza as President Director of Maxco.
