Master The Market

Investing for Everyone

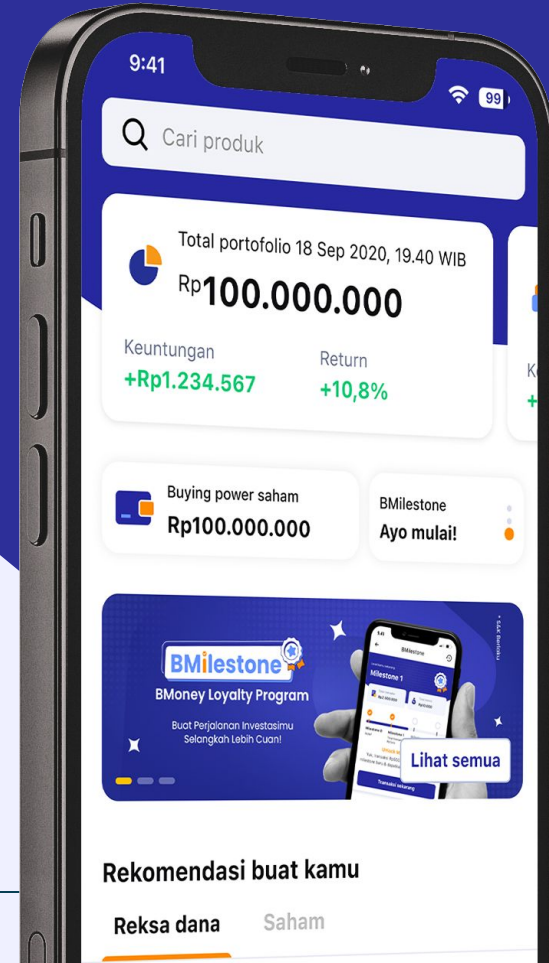

BMoney is an investech boutique dedicated to making investing effortless, credible, and goal-aligned for all. As a subsidiary of BUKA, BMoney is supported by its parent company's main shareholder, EMTEK. Our goal is to become the leading financial technology platform in Indonesia by focusing on simplicity, strong investment research, and a premium user experience.

Our vision is to create an effortless and credible digital investing experience by offering a wide range of trustworthy investment products through a simple, flexible platform, complemented by curated market insights that empower users to make confident, goal-driven decisions.

Gold Investment Made Simple

Gold is an ideal investment choice for various generations as it is believed to be a safe haven asset. Investing in gold is also easier to learn with promising returns. **BMoney Gold offers digital gold savings services that make it easier for users to invest in gold more practically and securely, with affordable nominal options.**

Collaborating with trusted partners, BMoney Gold also facilitates users in transacting physical gold products such as bullion, gold vouchers, and jewelry at the best prices with guaranteed authenticity.
