UniversitasPrasetiyaMulya  
x = independently organized TED event

**29th of August 2024**

Dear **Felicia Putri Tjisaka**,

For the past 7 years, TEDxUniversitasPrasetiyaMulya has been curating speakers from a variety of range and backgrounds to provide the best TEDx experience. This year, we are humbly honored to invite you to speak at TEDxUniversitasPrasetiyaMulya. An independently organized TED event to accommodate everyone to unleash their ideas, inspire, and inform people. Self-organized program by passionate individuals based on TED's format and rules. I am a huge fan of the way you are so passionate about finance and would be so excited if you would join us.

TEDxUniversitasPrasetiyaMulya is a full-day event curated by the curating team. Our goal is to bring together bright minds to give talks that are idea-focused, and on a wide range of subjects. To foster learning, inspiration and wonder – and provoke conversations that matter.

TEDxUniversitasPrasetiyaMulya 2025 will be held offline with an expected audience of 100 individuals. Your talk would be filmed and an edit will be hosted on the TEDx YouTube channel. Just as with all speakers, we would work together ahead of time to craft the talk. our talk could be up to 15 minutes on the theme of **Outliers: Breaking Barriers, Shaping Tomorrow** with range of topics:

- Psychology of Wealth: The Intersection of Mindset, Culture, and Timing
- Charging Ahead: E-Motorcycles Powering a Greener Indonesia
- Chaos Mastery: Turning Uncertainty into Possibility
- Steering the Wheel of Education Reform
- The Whisper Within: Journaling as a Compass to Your Inner Voice

We would like to propose to you to specifically spread, inspire, and inform your idea in **Psychology of Wealth: The Intersection of Mindset, Culture, and Timing** topic. We attached our proposal for you to consider.

TEDxUniversitasPrasetiyaMulya is a pro-bono and offline event that is tentatively scheduled for Saturday, January 25th, 2025. We believe your voice would be a critical addition to the TEDxUniversitasPrasetiyaMulya stage. Please let us know if you are interested in becoming a speaker. If there are any concerns please do not hesitate to contact me through my number **(+62)81236889323**. Thank you for reading, and we look forward to hearing from you.

Best Regards,
